E shape · 1st inversion

E/D

x x 0 1 0 0
♭7 3 5 1 (D G♯ B E)
Base triad: E major, 1st inversion

Construction rules

Start from a triad. Root, 3rd and 5th, stacked in thirds. The 3rd makes it major or minor; the 5th makes it diminished or augmented when it moves.

A slash names the bass. Chord/bass puts any note under a triad. A chord tone gives an inversion, such as C/E; another note gives a new chord: G/F is G7 with the 7th in the bass.
